

## Lao-Thai Workshop on Mineral Resources Development Technology

3 May 2017 Lao Plaza Hotel, Vientiane, Lao PDR

- Objective:** Promote exchange of mining and mineral processing technology and knowledge between the two countries under AEAN co-operation
- Target:** 50-60 participants from private and public sectors of the two countries' mining industries (entrepreneurs, miners, officials, mining researchers)
- Organizers:** The Department of Mines, Lao PDR  
The Department of Primary Industries and Mines, Thailand  
Chiang Mai University, Thailand  
(Coordination, invitations for speakers and participants, arrangements)
- Budget:** Mainly supported by the Department of Primary Industries and Mines under the co-project with Chiang Mai University and partly by sponsorship from private mining companies (for workshop rooms, coffee breaks, and lunch)
- Place:** Vientiane, Lao PDR (Lao Plaza Hotel and DOM)
- Program:**
